DOOR | Pinger Door

High Impact
Fired proof

Pinger door is different from standard solid wood door and high pressure thin door.
Pinger door is not easily to be teared, cataclastic or craked.
Our Pinger durable vinyl wall sheet is 3 times than solid wood and
2 times than polywood,
it is antibacterial,fired proof and so on.There are
3 surface texture to be choose
will keep on its life for 10-15 years.

Pinger Door

- High Impact
- Fired proof
- Antibacterial
