Wall Panel

OUR ADVANTAGES

The panel meets the following specification requirements.

1. **EN 12467** - 2002/05, European standard for **EN 12467**
2. **EN 12467** - 2002/05, European standard for **EN 12467**
3. **EN 12467** - 2002/05, European standard for **EN 12467**
4. **EN 12467** - 2002/05, European standard for **EN 12467**
5. **EN 12467** - 2002/05, European standard for **EN 12467**
6. **EN 12467** - 2002/05, European standard for **EN 12467**
7. **EN 12467** - 2002/05, European standard for **EN 12467**
8. **EN 12467** - 2002/05, European standard for **EN 12467**
9. **EN 12467** - 2002/05, European standard for **EN 12467**
10. **EN 12467** - 2002/05, European standard for **EN 12467**
11. **EN 12467** - 2002/05, European standard for **EN 12467**
12. **EN 12467** - 2002/05, European standard for **EN 12467**

Standard sheet size:

EN 12467 - 2002/05, European standard for **EN 12467**

EN 12467 - 2002/05, European standard for **EN 12467**

EN 12467 - 2002/05, European standard for **EN 12467**

**Diffuse Light Effect
for Privacy**

Rich Colors, Wide Selection

All fabrics are flame-retardant, eco-friendly, and non-see-through, providing both safety and style.

Our Projects

- Medical Institutions
- Office Area
- Commercial Place
- Educational Space
- International Medical
- Public Transit
- Hotel Club
- High-End Residential

Almama Medica | Tower

Chennai, South India

The project presents our project as Almama Medical Hospital, where we created a strategic development and a new facility. These good ideas and major concepts provide patients with modern amenities, including the treatment space.

إمما الطبية
ALMAMA MEDICAL TOWER

Figure 1 Reception desk. Reception desk with light wood-grain finish and white top. The desk is set against a wood-paneled wall. The desk has a small sign on the front that reads "HOSPITAL".

Figure 2 Reception desk. Reception desk with light wood-grain finish and white top. The desk is set against a wood-paneled wall. The desk has a small sign on the front that reads "HOSPITAL".

Figure 3 Reception desk. Reception desk with light wood-grain finish and white top. The desk is set against a wood-paneled wall. The desk has a small sign on the front that reads "HOSPITAL".

Jeddah National Hospital

Jeddah, Saudi Arabia

The new group of structures was added to Jeddah National Hospital, the largest Comprehensive Healthcare with nearly 1,000 services, featuring a floor height of 10m.

View from the corridor towards the entrance area, showing the blue chairs and the glass door leading outside.

View of the blue chairs and the red chair in the foreground, showing the seating area.

View of the corridor showing the person standing near the glass door, with the blue chairs visible in the background.

Security Forces Hospital

Riyadh, Saudi Arabia

The installed perimeter and protection systems and equipment installed at Security Forces Hospital protect, deliver exceptional security and a custom, rugged experience.

Sedra Medical

moda. rigata®

Sedra Medical is pleased to announce a project of Sedra Medical in Qatar where we will install eight (8) units of Protonix systems.

Figure 1: Hospital room with a patient bed, medical equipment, and a large window. The room is designed to be comfortable and functional for patients.

Figure 2: Hospital room with a patient bed, medical equipment, and a large window. The room is designed to be comfortable and functional for patients.

Figure 3: Hospital room with a patient bed, medical equipment, and a large window. The room is designed to be comfortable and functional for patients.
